WEEKLY REFLECTION

Project Compassion boxes can be seen around the school enabling individuals and classes to contribute donations to the work of Caritas.

Of equal importance is the opportunity to deepen our understanding of the injustices in the world that give rise to poverty, hunger, and lack of opportunity. Project Compassion gives us a practical way to be the difference we wish to see in the world.

Dear Families,

Well done to all the children who competed in Casterton on Monday at the district Swimming Carnival. All students gave their best effort and their behaviour was outstanding. Congratulations to Mae Dwyer who was the 11-year-old age champion. A big thank you to Nicole Boxer for helping transport children and to Shannon Sutherland for volunteering as a timekeeper.

Karl Dwyer

We acknowledge the Traditional Owners of the land where we work and live, the Gunditjmara people, and pay our respects to Elders past, present and emerging. We celebrate the stories, culture and traditions of all Aboriginal and Torres Strait Islander communities who also live and work on this land.

Wellbeing

The new Child Safe Standards came into effect in July 2022 and are vital to what we do here at St Joseph's. What do these standards look like in practice? Each week we will look at a standard in closer detail.

Standard 4

Families and communities are informed and involved in promoting child safety and wellbeing.

At St Joseph's we share information to families and communities through various media platforms. Our weekly school newsletter, Facebook page and the St Joseph's School website are just some. Members of our School Advisory Council are also involved in decision making and promoting child safety and wellbeing.

Our school is working towards developing a School Community Survey Plan in conjunction with the Western Trinity and other South West Network of Schools.
