### WEEKLY PRAYER

**God of love, care  
and nurture,  
Bless our mothers  
and other special  
women in our lives  
who lavish your  
love upon us.  
May we never take  
the care and  
support they give  
us for granted.  
Help us show them  
how much they  
mean to us.  
Amen**

Dear Families,

We had a terrific turnout for our Mother's Day High Tea this afternoon, with over 30 guests joining us. Mums, grandmothers, aunties and special friends were all in attendance, allowing our students to say thank you for the wonderful people they are. Thank you to our Year 6 leaders for organising the catering and being wonderful hosts to our visitors.

The Casterton and District Cross Country was held on Monday. Nine students represented St Joseph's. All students ran exceptionally well and gave their best. Congratulations to those who placed in their age groups. Mae, Oscar, Charlie, Jack, Angus and Maddison have made it to Division Cross Country. This will be held on Friday 19th of May in Warrnambool.

Congratulations to all students who competed in the Division Athletics in Warrnambool on Friday. Special mentions to Hannah Lambert, who came 1st in the 200m and 2nd in the 100m. Also, Jack Novikov came 3rd in Long Jump.

Finally, we have had three busy weeks of fundraising for our school. Parents have worked hard providing nachos at the Movie Night, running the canteen at the Cross Country and chopping wood at Tindall's farm last Sunday. From these three events, we have raised around \$4,000, which will go towards providing power to our newly built Covered Outdoor Learning Area. A fantastic effort, everyone! A special mention to Eisha McKerlie and Stacey Sutherland for their organisation of these events.

Our School has been working one-on-one with a dedicated Health Promoter Monique Sobey, who has worked with us to achieve one small bite. We decided to work towards this action as we believe that all children deserve the right to access healthy food and drinks. Vic Kids Eat Well was a great opportunity for us to make these changes and we are very proud of our achievements!

So how did we make our healthy food and drink changes?

We have used some of our vegetable garden to cook some healthy food and drink options to sell for children at school. All money raised will go to the St Vincent De Paul Society. The Year 6s have shown great leadership in helping design, promote and cook for the Kids Kitchen!

We look forward to updating you on the rest of our Vic Kids Eat Well journey! To acknowledge our commitment and work, we have received a promotional pack including a Vic Kids Eat Well digital tile for our website and newsletter and poster that you will see at the office.
