

ST JOSEPH'S SCHOOL

COLERAINE

At St. Joseph's School, we are committed to the teachings of Jesus Christ and the Gospel Values. We believe that all students can achieve high levels of learning, and we are committed to embedding and providing a culture of child safety. We actively promote and respect the cultural diversity of all members of our school community.

WEEKLY REFLECTION

North American Indian Prayer

**I need your strength and wisdom.
Let me walk in beauty and make
my eyes ever behold the red and
purple sunset. Make my hands
respect the things you have made,
my ears sharp to hear your voice.
Make me wise, so that I may know
the things you have taught my
People, the lesson you have hidden
in every leaf and rock.**

ISSUE 22

Dear Families,

Our school was involved in an External School Review on Monday and Tuesday. Every five years, schools are reviewed in all aspects of curriculum and management. It's a golden opportunity to celebrate what we are doing well, and the findings give us direction for the next five years on what to work towards. Cheryl Pefanis, External Reviewer, is appointed by Catholic Education Ballarat (DOBCEL) to lead the review along with Janet Claassen, Education Consultant for the region and Matthew Uzkuraitis, Principal Representative from St Thomas' Primary School in Terang, making up the panel. Staff, parents and students all met with the review panel, and we look forward to receiving our External Review Report in the coming weeks, which will guide our School Improvement Plan.

Thanks to David Deutscher and John Jacobson for coming into our school last week and talking about the upcoming Pedal Car Competition that will take place in October. The school would like to enter 1-2 teams. Please see this website for further information www.pedalcargp.au

Karl Dwyer
Principal

We acknowledge the Traditional Owners of the land where we work and live, the Gunditjmara people, and pay our respects to Elders past, present and emerging. We celebrate the stories, culture and traditions of all Aboriginal and Torres Strait Islander communities who also live and work on this land.

Important Messages

Lightning Premiership (Football and Netball)

A reminder to all parents that St Joseph's, in conjunction with Coleraine Primary School Primary, will host the district Lightning Premierships in netball and football in term 3.

The date for this event is Tuesday 22nd August. We will require parent assistance with coaching teams in both sports and with operating the canteen, thus if you can keep this day free for us, it would be great.

Hockey

Last Friday, St Joey's competed in the Hockey 7s day. Our team had Jack, Maddison, Angus, Oscar, Isaac and three children from Casterton - Bridie, Ruby and Harry.

We played 4 games against College Boys, All Saints Portland, Good Shepherd Boys and Good Shepherd Girls.

Thank you to Andrea Munro, who coached us and mum (Nicole Tindall) also helped on the day. It was a fun day. We won one game and got close in a couple of games.

NAPLAN

Students' NAPLAN results were sent home earlier this week. Please keep these results in a safe place as a copy is required when enrolling at a Secondary School.

Student achievement in NAPLAN is reported using new proficiency standards for each assessment area at each year level. The standards are set at a challenging but reasonable expectation of what students know and can do at the time of testing. There are 4 proficiency levels:

Exceeding: the student's result exceeds expectations at the time of testing.

Strong: the student's result meets challenging but reasonable expectations at the time of testing.

Developing: the student's result indicates that they are working towards expectations at the time of testing.

Needs additional support: the student's result indicates that they are not achieving the learning outcomes that are expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The video below gives a detailed description of how to read your child's results.

Kids Kitchen

Last Friday, our Year 6 leaders made pumpkin soup and mini pizza muffins with the help of Rhainna and Nicole. We used pumpkins and spinach from our garden. We also thanked Alanna Macdonald for donating a pumpkin from their vegetable garden.

From all reports, the children loved the soup and muffins! The money raised from the kitchen was \$130.60; the year 6 leaders have decided to put the money raised from the kitchen these following two terms into buying some fruit trees for the school.

The new blender was supplied by our Healthy Kids Advisor, Monique Sobey.
